

3612 – Tutorial 1 – Sept 16

Exercise 1

Write the HTML for this. Try to use some of the semantic elements from the last class. There is CSS styling being used here, but you can ignore the styling shown here.

Test Your Knowledge #2

British Museum

The library in the British Museum in London. The British Museum Reading Room, situated in the centre of the Great Court of the British Museum, used to be the main reading room of the British Library. In 1997, this function moved to the new British Library building at St Pancras, London, but the Reading Room remains in its original form at the British Museum.

Emirates Stadium

The Emirates Stadium (known as Ashburton Grove prior to sponsorship, and as Arsenal Stadium for UEFA competitions) is a football stadium in Holloway, London, England, and the home of Arsenal FC. With a capacity of 60,260 it is the third-largest football stadium in England after Wembley Stadium and Old Trafford.

Exercise 2

Write the HTML to implement this form. Be sure to set the action and method attributes of the form. For the action, use: <https://www.randyconnolly.com/tests/process.php>
