Venice - Grand Canal

This view of the Grand Canal in Venice was taken on the Ponte di Rialto

Reviews

By Hypatia on 2019-10-23

I love Venice at dusk.

2. Save your file and then test this file in a browser (use file / open, drag-and-drop from File Explorer, or double-click on file in File Explorer).
3. Write the HTML for this line, where the destination for Venice is the file `venice.html` and the url for Ponto di Rialto is https://en.wikipedia.org/wiki/Rialto_Bridge

This view of the Grand Canal in [Venice](#) was taken on the [Ponte di Rialto](#)

4. Write the HTML for this line, where the image file names are `venice1.jpg`, `venice2.jpg`, and `venice3.jpg`
